

UNITED STATES GOVERNMENT

ADMINISTRATIVE - INTERNAL USE ONLY

Memorandum

TO : CIA Records Administration Officer DATE: 5 May 1972
THRU : DDS Records Management Officer

FROM : Records Management Officer, Office of Logistics

SUBJECT: Destruction of Paper Copies after Microfilming

1. The Office of Logistics requests authority to destroy the following temporary records, described as the items indicated in Records Control Schedule Number 3400.02, since they have been converted to an acceptable microfilm copy:

Item # 5 -- Document Control Files
Item # 8~~1~~ -- Domestic Cables
Item # 12 -- Dispatch Files

2. The Office of Logistics, Records & Services Branch, has micro-filmed these records. Agency recommended procedures for file preparation, filming, processing, and inspection were followed, and the film has been verified and found to be satisfactory. The silver film will be deposited in the Records Center, the diazo in cartridge retained in the office for reference purposes.

3. As part of standard office procedures, the Office of Logistics plans to destroy the temporary paper copies of these records; and requests that the Records Center destroy those jobs listed in the memorandum dated 12 April 1972 which had been recalled and filmed. Your approval for the disposal of these converted records is requested.

DISPOSITION INSTRUCTIONS

1. Office Subject Correspondence Files

Files which document the activities of the Office of Logistics in support of Agency activities in accordance with the mission assigned in HR [REDACTED]. Files consist of correspondence signed by the Director of Logistics, surveys, charts, studies, and reports pertaining to logistical planning; requirements; procurement, distribution, and accountability of Agency equipment and supplies; transportation of equipment and supplies; real estate and construction; and other support services, including Agency mail and courier service, telephone service, and printing and reproduction. Used in policy and operating determinations and also in the general administration of the Office of Logistics. Filed according to Agency Subject File Manual.

Permanent. Disposal not authorized by this schedule. Cut off at the end of each calendar year; retain in current file area two years; then transfer to Records Center. Files are screened prior to retirement and temporary material concerning administrative and housekeeping functions such as personnel, training, travel, space and services, budget and fiscal matters, security and other similar subjects are destroyed.

2. Top Secret Document Files

Top Secret documents concerning logistical support activities of the Agency as reflected in Item No. 1. TS documents are filed centrally in the Office except as needed within the Divisions for working needs. Filed by Top Secret Number.

Temporary. Files are periodically reviewed to downgrade, destroy or retire. Pertinent disposal item to be applied to retained documents on an individual basis, or if material is integrated with files of a lower classification for purposes of continuity, clearance will be obtained from the Area TSCO and the Area Records Officer before retirement.
